DATE

ORIGINAL MUST BE SENT TO INVO

Mail To: Innovation & New Ventures Office (INVO)
 Attn: Docketing
 1800 Sherman Ave., Suite 504
 Evanston, IL 60201

Helpful Tips:

- Multiple inventors are not required to sign the same signature page. Each may sign individually.
- Signature should reasonably resemble name as shown.
- A high-quality PDF scan should be sent to INVodocketing@northwestern.edu. If a scanner is unavailable, please use a scanner app on your smart phone. These work best with a photo that is framed and taken in bright light with no shadows.
